community college or university.

*To qualify at the Senior rate you must be age 65 or older.

Benefits of Membership with SCAS Pueblo:

- Attendance at special members-only star gazing events.
- The opportunity to meet special guest speakers who are involved with current cutting edge space programs and technologies.
- SCAS Pueblo Special Programs and Activities.
- Automatic membership in the Astronomical League
- Free subscription to the quarterly Reflector magazine
- Enrollment in the NASA/JPL Night Sky Network.

And don't forget the most important benefit, access to other individuals in our community who are just as interested in the night sky as you are. Check us out on line, join us at a meeting, join us at a star gaze. You won't be disappointed.

Please return your membership form with payment made out to SCAS Pueblo to a SCAS Board Member or mail it to:
